Heaven on a plate!

This place has by far, the BEST cakes and pies in Louisville. My husband is from Wyoming, and had never had anything from there. We got a Caramel Dutch Apple Pie, and it was the most wonderful thing I had ever tasted, and I don't normally like apple pie. If they shipped pies, I would send a couple to the in-laws for Christmas. If you have a chance, go! Everything is very reasonably priced.

I went there all the time when I was pregnant! My favorite flavor is mint-chocolate chip! (You should also really try their homemade banana pudding!)

- Pros: soooo yummy!, yummy ice cream, yummy everything
- Cons: kind of expensive, long line, crowded

This place has the best ice cream around, and is also a great value. Thier homemade flavors are delectible and very flavorful. They also serve great homemade chocolate pies along with many other pie and cake varieties. If you ever pass through Louisville find this place.

- Pros: ice cream, size of servings, Value
- Cons: too far from home, heavy traffic area
- Overall user rating: Highly Recommended
